

TEMPTING FETE

COMMUNIQUE 1

Behind the scenes, Tempting Fete planning is happening. This week we held our second official meeting. We will continue to work at a whisper whilst energy is directed to the musical, however, this is your chance to think about Tempting Fete and how YOU can be of help this year.

We have a few key roles that need filling

Assistant Fete Co-ordinator

I would love some help. This is a very straight forward role assisting myself and supporting the Co-ordinators. The role entails steering the ship in the right direction. There's a bit of planning, note taking and liaising with those who support the fete externally.

Auction Team

The Auction team has many sailors but need a captain. We are seeking someone to join the pre-existing auction team. We have a live and silent auction and both play a part in the rich Tempting Fete tapestry. If you love an excel spread sheet, have strong organisational skills and get a kick out of raising a large amount of money for the school from generous donations and you think this person may be you, or you feel it could be you..... reach out to Megan – 0413 733 306 or Lori 0432 337 383 to touch base, ask questions, get a feel for the role.

It's all about community

Tempting Fete is our biggest fundraiser for the year but it is also the opportunity for us to come together as a community. We run with the motto '**many hands make light work**'. In 2018 we had 402 individuals, that comprised of 88 coordinators, 314 stall volunteers (some ex-students too!) and 150 businesses donated goods or services.

We are looking forward to a fabulous Tempting Fete 2019. If you have any offerings, questions or ways you feel you could help out, please feel free to reach out OR join us for our next meeting Tuesday 30th July 7.30pm in the staff room. There's a 99% chance there will be chocolate involved!

Courtney's (details over
page)**

Tuesday 30 July

**Planting in Polyhouse
3.30-4.30pm**

Tuesday 30 July

**Tempting Fete Meeting
7.30pm**

Other ways you can lend a hand

Auction

To have a successful LIVE + SILENT AUCTION we need your generous donations.

Do you have a holiday home? Please share with us. A business? All services welcomed; dentistry, accounting, Marie Kondo cleaning service, art therapy, yoga classes, PT coaching. Artistic talents or a friend who does? We welcome art in all forms, signed guitars or sporting memorabilia would be very welcome.

Auction squad will take it all.

Planting

Planting begins this coming Tuesday (23rd July)

Heidi George (Charlie & Leo) has stepped into the role of plants this year but needs help as this is a role that takes weeks of plan(t)ning (puns intended)

You can join Heidi in the poly house each Tuesday & Thursday Afternoon of Term 3 from 3.30-4.30pm

Pickles & Preserves-

Courtney Hargreaves (Ava's Mum) has stepped enthusiastically into the role.

Preserving begins next Friday night (26th July) 7pm at 57 Dwyer St, Clifton Hill, bring something to nibble and share if you can but mostly just bring yourself. Wine and cheese provided.

We would love any large and small jars. Please leave these outside Gerard's office (please de-label the jars, this save us heaps of time and energy.)

Do you have excess hanging fruit? We would love and appreciate donations of anything over 2kg.
